

109TH CONGRESS
2D SESSION

S. 3958

To establish the United States Public Service Academy.

IN THE SENATE OF THE UNITED STATES

SEPTEMBER 27, 2006

Mrs. CLINTON (for herself, Mr. SPECTER, Mr. KENNEDY, and Ms. MIKULSKI)
introduced the following bill; which was read twice and referred to the
Committee on Homeland Security and Governmental Affairs

A BILL

To establish the United States Public Service Academy.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Public Service Acad-
5 emy Act of 2006”.

6 **SEC. 2. FINDINGS.**

7 Congress makes the following findings:

8 (1) National disasters such as September 11,
9 2001, and Hurricane Katrina, along with the United
10 States’ struggle against international terrorism, have
11 highlighted the importance of public service and the

1 need for the United States to improve its capacity
2 to effectively handle future catastrophes, as well as
3 the daily challenges of life in a global society.

4 (2) Young Americans, particularly after the
5 September 11, 2001 attacks, have a strong ethic of
6 public service. According to the Higher Education
7 Research Institute, more than $\frac{2}{3}$ of the 2005 fresh-
8 man class at institutions of higher education in the
9 United States expressed a desire to serve others, the
10 highest rate in a generation. Applications to private
11 programs such as Teach for America and City Year,
12 publicly funded public service programs within USA
13 Freedom Corps, and religious mission trips have in-
14 creased dramatically since 2001. Yet with the in-
15 crease in college tuition causing the average college
16 graduate to owe about \$20,000, many students often
17 can afford to pursue public service only for short pe-
18 riods of time and avoid public service careers in
19 favor of more lucrative fields.

20 (3) The aging of the population of the United
21 States and the subsequent retirement of the Baby
22 Boomer generation will create serious shortages in
23 critically needed public service positions at all levels
24 of our society, as evidenced by the following:

1 (A) A recent study by the Congressional
2 Budget Office highlighted “the graying of the
3 Federal work force,” while the Partnership for
4 Public Service warns of a “Federal brain drain”
5 as 44 percent of all Federal workers become eli-
6 gible to retire in the next 5 years.

7 (B) The National Center for Education
8 Statistics estimates that more than 2,000,000
9 teachers will be needed in the next 10 years due
10 to teacher retirement and increased student en-
11 rollment. The teacher shortages will particularly
12 affect high-need rural and inner-city local edu-
13 cational agencies.

14 (C) More than 80 percent of the Nation’s
15 17,000 law enforcement agencies report that
16 they cannot fill needed positions due to a lack
17 of qualified candidates.

18 (D) The Bridgespan Group reports that
19 nonprofit organizations will need to attract and
20 develop 640,000 new senior managers by 2016,
21 nearly 2½ times the number in 2006.

22 (4) The United States does not have a national
23 undergraduate institution to promote public service
24 and develop well-trained, highly qualified civilian
25 leaders.

1 **SEC. 3. PURPOSE.**

2 The purpose of this Act is to establish a United
3 States Public Service Academy that will—

4 (1) strengthen and protect the United States by
5 creating a corps of well-trained, highly qualified ci-
6 vilian leaders willing to devote themselves to leader-
7 ship through patriotic public service;

8 (2) be the first national civilian institution of
9 higher education in the United States; and
